ANZUP ANNUAL SCIENTIFIC MEETING 'LISTEN, REFLECT, CONNECT'

ANZUP PCFA Nurses & Allied Health Symposium & Study Coordinators Session	SUNDAY 20	July 2025		
Grand Ballroom Co-Chairs: Craig Gedye and Blossom Mak ANZUP PCFA Nurses & Allied Health Symposium Maritime Ballroom 4 Sponsored by Novartis Co-Chairs: Kath Schubach and Donna Cowan Small? - Natasha Roberts Medium? - Marcel Svatos Large? - Ian Davis Commercial? - Shahneen Sandhu How? Successful trials amid a changing landscape: lessons learned from PDIGREE - Tian Zhang Discussion Kath Schubach Sally Sara Russell Briggs Service Developments: Prostate Cancer Exercise Program GV Health - Nicole Lewis When Prostate Cancer Loins you in the Bedroom - Gay Corbett Study updates: Design, implementation and evaluation of PC Essentials Study - Anna Green Research Update - Cynthia Hawks Ummet needs in prostate cancer care - Natasha Roberts Education: How to do a poster presentation - Nicole Heneka ANZUNS Research Committee -	JONDAT 20	July 2023	Health Symposium & Study	0730-0800: breakfast
 Education: How to do a poster presentation - Nicole Heneka ■ ANZUNS Research Committee - 	0830-1030	Grand Ballroom Co-Chairs: Craig Gedye and Blossom Mak Why? - Melissa Le Mesurier Can? Chris Gianacas Small? - Natasha Roberts Medium? - Marcel Svatos Large? - Ian Davis Commercial? - Shahneen Sandhu How? Successful trials amid a changing landscape: lessons learned from PDIGREE - Tian Zhang	Os:00-10:30am ANZUP PCFA Nurses & Allied Health Symposium Maritime Ballroom 4 Sponsored by Novartis Co-Chairs: Kath Schubach and Donna Cowan Sponsor Welcome - Stamati Margelis, Clinical Research Medical Advisor — Radioligand Therapies, Novartis PhD updates: Kath Schubach Sally Sara Russell Briggs Service Developments: Prostate Cancer Exercise Program GV Health - Nicole Lewis When Prostate Cancer Joins you in the Bedroom - Gay Corbett Study updates: Design, implementation and evaluation of PC Essentials Study - Anna Green Research Update - Cynthia Hawks Unmet needs in prostate	Study Coordinator Session Wharf Room 2-5 Co-Chairs: Brandan Holt and Monika Tencic From Radionuclides to Results: Bringing Nuclear Medicine to the Table - Jasmine Holyoake-Brady Experiences with Ninja and engaging consumers from conception - Jarad Martin Australian Teletrials Program – overview of program - Annaleise Liefting Teletrials – a coordinators experience of benefits and barriers to conducting tele- trials oncology – lessons learned - Kerry Blacket minute break How to talk to participants and loved ones about dying - Haryana Dhillon Panel Discussion: Jasmine Brady, Haryana Dhillon & Jarad Martin Workshop event - Clinical trials, an ever changing role: problem solving together -
			How to do a poster presentation - Nicole Heneka	rencic
1030-1100 Morning tea	1030-1100	Morning tea	Natii Stiiubatii	

Study Coordinators combined session

Maritime Ballroom 4

	Facilitators: Lisa Butler, Renea Taylor & Weranja Ranasinghe Co-Chairs: Renea Taylor & Luke Selth Improved treatment selection in advanced hormone-sensitive prostate cancer: ancillary studies of the STAMPEDE trials - Emily Grist Biomarker-driven clinical trials: lessons learned from the GUIDE and DARO-LIPID	Sponsored by Novartis Co-Chairs: Kath Schubach & Monika Tencic 1. Feedback on earlier two sessions – selected on the day. 2. Priorities work - Natasha Roberts 3. Oration: Margaret McJannett
	 trials - Tahlia Scheinberg Experience in setting up a trial from translational research project - Roger Li Translational Research in Penile Cancer - Mitchell Lawrence Panel discussion 	
1230-1330 1330-1515	ANZUP Masterclass	
1330-1313	Co-Chairs: Ciara Conduit, Niara Oliveira & Nadia Hit	chen
1340-1410	Bladder Chair: Harriet Herbison	
1410-1440	Advanced Prostate Chair: Ed Kwan	
1440-1515	Kidney Chair: Handoo Rhee	
1515-1545	Afternoon tea	
1545-1700	ANZUP Masterclass continues Co-Chairs: Ciara Conduit, Niara Oliveira & Nadia Hitchen	
1545-1615	Penile Chair: Jenny Lee	
1615-1700	Testicular Chair: Ben Thomas	
1700-1830	ANZUP Welcome Reception Maritime Ballroom 1-3	
1815 & 1845	Coach Transfer from the Hyatt Hotel to the Evening Symposium Gather in the Loading Dock for transfer to Ilumina.	
1830 / 1900 for 1915	ANZUP 2025 Evening Symposium North Hall, Ilumina, 1 Elizabeth Street, Sydney, NSW 2000 Sponsored by Johnson & Johnson	
to 2200	Life Reflections We're really looking forward to what promises to b planned which will be a mix of a gameshow format	e a lively and engaging session. We've got a novel session somewhat akin to "Have You Been Paying Attention" but se serious but key session on the role of reflection in each ght—pun very much intended!
	Co-Chairs: Fiona Maclean & Haryana Dhillon	

MONDAY 21	L July 2025	
0645-0715	Breakfast will be available	
0715-0815	ANZUP sponsored Translational Science Breakfast Translational Rapid-Fire updates Grand Ballroom Co-Chairs: Weranja Ranasinghe & Charles Bidgood Translational Insights from TheraP ctDNA analysis - Edmond Kwan SPECT research in ENZAP and EVOLUTION - Narjess Ayati Neoadjuvant combination therapy in locally advanced ccRCC (NEBULA) - Lewis Au Translational research in germ cell cancers - Nadia Hitchen Translational Insights and Upcoming Plans from the BCG+MM study - Dickon Hayne Translational Insights from Upper-tract studies - Shomik Sengupta	 Supportive Care Breakfast Maritime Ballroom 4 Sponsored by Astellas Co-Chairs: Haryana Dhillon & Leonie Young Two- minute welcome and introduction by Naseem Ali, Medical Affairs Co-Lead, Astellas Developing a Quality of Life-derived Frailty Index and assessing the effects of Enzalutamide on Frailty and Resilience in Prostate Cancer and Older Cancer Patients: insights from the ENZAMEt randomised controlled trial Wee-Kheng Soo Prostate Cancer Screening Guidelines: Are They Inclusive of Gender Diverse Populations? A Systematic Rubric-Based Evaluation - Afolabi Opeyejesu Prostate cancer in transgender women: what the evidence means for healthcare providers in Australia & New Zealand - John Peacey How health professionals can best advise men to seek help and care - Donna Cowan
0830-0900	 Panel discussion Opening Session Grand Ballroom Co-Chairs: Ian Davis, Carole Harris and Laurence Krieger Welcome and housekeeping - Ian Davis Welcome to Country, Gadigal Elder - Binowee Bayles Introduction to ASM - Carole Harris and Laurence Krieger Welcome from ANZUP CEO - Samantha Oakes Welcome by Platinum Sponsor - Steve Callister, National Chairman, Prostate Cancer Foundation of Australia 	
0900-1030	Keynote Session One: Session Title: Connecting with Big Ideas Grand Ballroom Co-Chairs: Carole Harris and Laurence Krieger Introduction by Co-Chairs Patient voice - Leonie Young Common sense communication of evidence: balancing power, clarity, and accuracy - Bishal Gyawali Engaging men in treatment and health care - Ben Rogers Challenges of integrating systemic therapies in bladder cancer - Roger Li The ANZUP theranostics Glow-Up - Louise Emmett Half-Life, Full Team: Energising Multi Departmental Trials in Theranostics - Jasmine Holyoake-Brady Update: Theranostics subcommittee - Andrew Scott Panel discussion / questions	
1030-1100	Morning tea Sponsored by Johnson & Johnson	
1100-1235	Keynote Session Two: Session Title: Latest information on Prostate Cancer Grand Ballroom Sponsored by Prostate Cancer Foundation of Australia Co-Chairs: Jeremy De Leon, & Les Land and Tahlia Scheinberg Introduction by Co-Chairs Patient voice - Colin O'Brien	

	Biomarker-driven strategies for treatment intensification in advanced hormone-sensitive prostate cancer - Emily Grist
	 Synchrony fellow: Multimodal ctDNA analysis and novel imaging to inform precision use of PSMA radioligand therapy - Edmond Kwan
	The lived experience of active surveillance for prostate cancer Russell Briggs
	 Curing prostate cancer in 5 sessions: PACE-ing ahead - Alison Tree
	DASL updates - Chris Sweeney
	 Prostate sub committee overview of trials - Lisa Horvath
	Questions
1235-1245	ANZUPX
	Grand Ballroom
	The Cure is Just the Beginning - Bogda Koczwara
1245 - 1345	Lunch
1345-1510	Best of the Best Oral Abstracts Session
	Grand Ballroom
	Co-Chairs: David Pook & Lisa Horvath
	Immune and Genomic Profiling to Inform Risk Stratification in Muscle-Invasive Bladder Cancer - Nadia Hitchen
	 Uncovering the mechanisms linking mitochondrial dysfunction and valine metabolism in the
	development of castrate-resistant prostate cancer - Charles Bidgood
	Bladder Cancer Staging with Pre-Cystoscopic Multiparametric MRI: A Multicentre Evaluation of the
	Vesical Imaging Reporting and Data System and Diffusion Kurtosis Imaging - Gerald Mak
	Review of relapse detection methods in stage 1 testicular germ cell tumours in patients after
	orchidectomy managed with active surveillance: Is Physical Examination required? - Amy Smith
	A Review of the diagnosis, treatment and outcomes for Adolescents and Young Adults with testicular
	Germ Cell Tumours in Queensland from 2017 to 2023 - Rick Walker
	• Is PSA Testing Beneficial for Men with Low-Grade Prostate Cancer on Watchful Waiting? - Kain Xu
	Oncological and functional outcomes of apical prostate cancers treated with focal laser ablation
1510 - 1540	(ProFocal®) - Jonathan Kam
	Afternoon tea Sponsored by Astellas
1540-1700	Keynote Session Three
	Session Title: Health Equity Grand Ballroom
	Sponsored by Prostate Cancer Foundation of Australia
	Co-Chairs: Mei Ling Yap and Abhi Pal
	Introduction by Co-Chairs
	Patient voice - Paul Zawa
	 Equitable Access to Health Research: Emphasising First Nations Leadership - Greg Pratt
	The Hunger Games of prostate cancer diagnosis - Anne Savage
	Decentralised clinical trials in Aotearoa New Zealand: developing approaches relevant to Māori and
	those living in rural areas - Nicky Lawrence
	Mind the gap, live in the gain - Marniza Saad
	Cancer Groundshot: Going Global Before Going to the Moon - Bishal Gyawali
	Panel discussion
1700-1730	ANZUP AGM Members only - Maritime Ballroom 4
1730-1830	Poster Walkaround and pre dinner drinks
4000 2222	ANTUR Confirmed Discour
1900-2300	ANZUP Conference Dinner

Session Title: Updates on Non-Prostate Cancer Grand Ballroom Sponsored by MSD Co-Chairs: Melissa Le Mesurier & Andrew Weickhardt Introduction by Co-Chairs Patient voice - Josh Robson Considerations for LGBTQIA+ and other vulnerable communities - diversity and intersectionality in research; how can we be more inclusive with clinical trial participation? - Brandan Holt Preserving life with a functional bladder - Marniza Saad Novel Therapies for Testis Cancer - Ben Tran Testicular Cancer sub committee update - Ben Tran Role of psycho-oncology in a resource limited setting: Laura Kirsten Improving clinical outcomes in metastatic renal cell carcinoma: updates in immunotherapy combinations, HIF inhibitors, and landscape opportunities - Tian Zhang Showcase trial: Outcomes of Australians with Kidney Cancer (OAK) - Natasha Roberts & Belinda Jago RCC subcommittee update - Craig Gedye Questions Plenary Session: Mentorship Grand Ballroom Chair: Declan Murphy Inspire and be inspired - Marniza Saad Human moments in a busy system: the gift of mentorship - Rhiannon Mellor Panel discussion Mentorship announcement - Samantha Oakes	THECDAY 22	July 2025
